World Entrepreneur Day

August 21, 2024

Institute Innovation Council (IIC), Jaypee University of Information Technology, Solan (JUIT) in collaboration with Technology Incubator and Entrepreneurship Development Cell (TIED Cell), JUIT celebrated the World Entrepreneur Day on August 21, 2024 in TIED Cell.

The objective of the event was to inspire and empower the members of TIED Cell by providing insights into the journey of entrepreneurship. The session aimed to foster an entrepreneurial mindset, highlight the significance of innovation, and motivate students to pursue their startup ideas with confidence. On World Entrepreneur Day, the members participated in a dynamic session focused on cultivating entrepreneurial skills. The topics covered during the session included startup ideation, market research, business planning, and strategies for overcoming

obstacles in the entrepreneurial journey.

In addition to the discussions, the session included hands-on activities where students were encouraged to brainstorm and refine their startup ideas. These activities were designed to enhance their problem-solving, creativity, and strategic thinking skills, which are essential for entrepreneurship. The event also provided an opportunity for students to network with peers and mentors, fostering a supportive community of like-minded individuals.

Event Benefit :

- i. Inspiration: Students gained valuable insights, motivating them to embark on their own entrepreneurial paths.
- ii. Practical Knowledge: The session provided practical tips on starting and growing a business, from ideation to execution.
- iii. Networking Opportunities: Students had the chance to connect with peers and mentors, building a supportive community of like-minded individuals.
- iv. Skill Development: Through interactive exercises, students enhanced their problem-solving, creativity, and strategic thinking skills essential for entrepreneurship.
