TECHNOVATORZ

Electronics club of JUIT
PRESENTS

POSTER PRESENTATION

Poster presentation focuses on providing a platform for the students of JUIT to present their ideas to tackle real life problems.

WHAT IS POSTER PRESENTATION?

- Poster presentation advertises technology and challenges. It combines text and graphics to present your topic in a way that is visually interesting and accessible. It allows you to display the work to a large group of other techno savvy and receive feedback from interested viewers.

HOW TO REGISTER?

- Zero registration fee.
- Register through the Google Form (team of two or single entry)

http://goo.gl/forms/p9yFXWko8Vd8eHln2

- Registration is open till 27 September 2017.

<u>HOW DO YOU GET SELECTED</u>?

- Submit the topic with brief description of max 100 words.
- Scrutiny will be done based on the importance of the topic.
- Competition will be conducted on 9th October 2017
- Selected team will have to prepare poster for demonstrating technology topic.
- Further instructions for poster presentation will be informed through email.

<u>PRIZES</u>:

1. Exciting Prize worth Rs. 3000 will be given to the best poster presentation.
2. Certificate of participation will be given to all the presenters selected.
