Circuit Mania

Event Rules

- 1) Teams of two participants only can contest for this event.
- 2) First round will be elimination round with objective type questions from fields of electronics.
- 3) Second round will be circuit designing round in which actual application has to be made.
- 4) In both the rounds you will be provided question sheets/components on the registration desk and you need to submit them back within the specified time limit.
- 5) All the components and material required for the circuit will be provided by us. List of available components will be displayed.
- 6) Power supply and other testing devices like multi-meter, CRO (if needed) and other tools will be made available.

- 7) Teams that will qualify after the first round will build an application. The theme of which will be disclosed on the spot.
- 8) All teams will be having same kit of components.
- 9) In case something got damaged you may request the organizer to replace the components/parts.
- 10) Teams should draw circuit diagram of the application depicting all the principles and theories involved in circuit as well as the working of the Application on a work Sheet.
- 11) Registration fees for the event is Rs. 50/- per team.

The application will be judged according to the following criteria:

- 1) Design of circuit. (20)
- 2) Compactness of design. (10)
- 3) Desired output. (10)
- 4) Breadboard skills/neatness of the implemented circuit. (10)

Logo Design

(Open for 1st year and 2nd year electronics students)

Send the logo designs for electronic club “Technovatorz” on **Email id:** juittechkriti@gmail.com or technovatorz@gmail.com latest by 5th October, 2015. Mention your name and roll number in the email.
