NOTICE :
JAYPEE - UF LINKAGE: 8TH SEMESTER AT UNIVERSITY OF FLORIDA,
GAINESVILLE, USA

Under the MOU entered into between the 3 Jaypee Universities and the University of Florida, Gainesville, USA, select students of ECE/CSE/IT from the JIIT, JUIT and JUET can spend their 8th semester at UF (Department of Computer & Information Science & Engineering) for undertaking course work leading to the Senior Certificate in Computer Science and Engineering.

Students from Departments of CSE/IT/ECE can apply. Dual Degree Students may apply but shall be required to do the additional core course of 8th semester on returning back. **UF recommends that all selected students complete the course on Operating Systems before joining.** Alternatively, they shall be required to take that course in UF compulsorily.

Courses:

Students will have to undertake 12 credits of course-work (project included). However, students shall be awarded 22 credits equated to the 8th semester requirement.

Fee Structure & Other Expenses (Details awaited for the next Year):

- (a) Under the MOU, a special rate of US\$ 425 per credit hour of the course-work (total of \$ 5100) (as compared to US \$ 1200 per credit hour) has been agreed to for Jaypee students.
- (b) Students will have to pay for their accommodation and food for the duration of their stay (16 weeks approx), which will be on an average US\$ 2500-3000.
- (c) Students have to make their own arrangements for the purpose of stay, though some guidance may be provided by the University of Florida. **It is brought out that approximately 75 to 80 students of Jaypee Institutes are presently located at UF.**
- (d) Students must also note that they will have to make their own arrangements for travel, passport, visa, insurance cover and stay at UF in case selected for the program.

Message from UF ON SELECTION PROCESS

For admission into the certificate program, we look at performance on the discrete math, data structures, programming, computer architecture, and OS courses. If the OS course has not been taken and the others are OK, we ask that OS be one of the certificate courses a student takes.

Further Studies at UF

- (a) In case a student wishes to stay on at UF for the MS program in CSE, then he/she will have to satisfy the UF eligibility as applicable. Please note that participation in the Senior Certificate program does not imply automatic admission to the MS program.
- (b) Criteria of GRE (score of 305 or better) / TOEFL etc.
- (c) CGPA of B (**7 or above**) or better in semesters 5 - 8 of JIIT.
- (d) Student can transfer anywhere between 6-9 credits of course-work (graduate level courses) earned at UF from the 8th semester to the MS program in case the students successfully complete the certificate (i.e., no grade below C), must have a GPA of B or better in the certificate courses and provided such credits qualify as post graduate level courses

How to Apply

Interested students of 7th semester in (odd semester) 2014 may submit their CV (in the format to be collected from the Registry) to respective Registrars, latest by 24th August 2014, for onward transmission to UF which shall carry out the short listing based on the merit.
