Report

The Enkindle Club of Jaypee University of Information Technology (JUIT), Wakhnaghat, Solan (H.P.) recently hosted an insightful expert talk on "Opportunities in Robotics" featuring Mr. Abbas Mehdi, Additional Director, Ministry of Electronics & IT, Government of India, on 7th February 2025.

The session provided valuable insights into the evolving landscape of robotics, automation, AI, and industrial applications, helping students, researchers, and professionals understand the vast career and research opportunities in this rapidly advancing field.

Key Takeaways:

- Expert insights into the latest trends in robotics and AI
- Emerging career and research prospects in the field
- The impact of robotics on industries and technological advancements
- Interactive Q&A session, where attendees engaged in meaningful discussions
- Encouragement to participate in Robocon 2025 – A global platform for robotics enthusiasts!

Mr. Abbas Mehdi also motivated students to actively participate in Robocon 2025, an international robotics competition that challenges young minds to innovate, design, and compete on a global stage. This presents a fantastic opportunity for students to apply their skills, collaborate, and showcase their talent in the field of robotics.

It was inspiring to witness such enthusiasm and curiosity from participants, reinforcing the importance of bridging the gap between academia and industry. A huge thank you to Mr. Abbas Mehdi for sharing his expertise and guiding aspiring professionals towards the future of robotics.

The Talk's success was made possible through the dedicated efforts of the organizing team and the support of key faculty members and university leadership. The event was coordinated by **Dr. Aman Sharma** and **Dr. Anita Sardana** from the Department of CSE, JUIT. The Enkindle Club is immensely grateful to **Prof. R. K. Sharma**, Vice-Chancellor, **Prof. Ashok Kumar Gupta**, Dean (Academics and Research), and **Prof. Vivek Sehgal**, HoD, Department of CSE, for their guidance and support. Special thanks go to the student coordinators of the Enkindle Club for their hard work and commitment to making the event a success.

The talk not only enhanced their robotics exposure but also inspired them to explore more advanced projects in the future. The Enkindle Club looks forward to organizing similar events to continue fostering innovation, collaboration, and technical excellence in STEM fields at JUIT.
