Eureka- Engineer's Day Celebration

Rotary Rotaract JUIT

ON THE OCCASION OF ENGINEER'S DAY
ROTARY CLUB OF SHIMLA &
ROTARACT CLUB OF WAKNAGHAT
WITH
CENTRE OF EXCELLENCE IN
"ARTIFICIAL INTELLIGENCE FOR EDUCATION"
PRESENTS

EUREKA

THEME : OPEN INNOVATION

VENUE: LT2	DATE: 15 SEPTEMBER 2024	TIME: 2 PM
------------	-------------------------	------------

On 15th September, 2024 Rotaract Club Of Waknaghat, Rotary Club Of Shimla and Centre of Excellence in “Artificial Intelligence for Education” organized Eureka- ”Engineer’s Day Celebration” which aimed to honor the role of engineers in shaping society and encouraging innovative thinking among students.

The event commenced with a warm welcome to all the dignitaries, participants, and attendees. This was followed by the dignitaries being invited to the stage, the rendition of the National Anthem, and a traditional lamp-lighting ceremony, symbolizing knowledge and enlightenment. The event then progressed to the felicitation of all the Rotarians present, including the chief guest, Er. Rakesh Kumar Thakur, a distinguished scientist from DRDO, who was honored for his remarkable contributions to the field of engineering.

In his address, Er. Rakesh Kumar Thakur shared valuable insights, urging students to explore new horizons in engineering and continue contributing to technological advancements. His speech was both motivating and enlightening, leaving a lasting impact on everyone there.

The event featured an exciting segment where students presented their innovative projects. Each presentation was thoroughly judged by experts, and the level of creativity and technological insight displayed was applauded by all present. The winners of the project presentations were announced and rewarded:

- **First Place:** Team *Obscura* (Rs. 5000)
- **Second Place:** Team *Nirvana* (Rs. 3000)
- **Third Place:** Team *Bug Brigade* (Rs. 2000)

Rotarians also took the stage to share their experiences and thoughts on engineering's evolving role in society. Their talks offered valuable perspectives on leadership, service, and the impact engineers have on global progress.

The event concluded with the distribution of mementos to all the dignitaries and special guests in recognition of their contributions to the event and a concluding speech by the honourable Vice-Chancellor of JUIT Prof.(Dr.) Rajendra Kumar Sharma. A heartfelt vote of thanks was delivered by Rotaract Club Of Wagnaghat, expressing gratitude to the participants, organizers, and guests. The day concluded with a session of high tea, allowing for networking and informal discussions.

Eureka was a fitting tribute to engineers, celebrating their achievements and inspiring the next generation to lead with innovation and passion in their respective fields.

The screenshot shows a web browser displaying an article titled "Eureka" - Engineer's Day Celebration. The article text is as follows:

On 15th September 2024, Jaypee University of Information Technology (JUITECH) witnessed a grand celebration of Engineer's Day with the event *Eureka*, organized by the Rotary Club of Shimla and the Rotaract Club of Waknaghat with the Centre of Excellence in Artificial Intelligence for Education. The event aimed to honor the contributions of engineers and encourage innovative thinking among the next generation of problem-solvers.

The event was graced by Er. Rakesh Kumar Thakur, a renowned scientist associated with DRDO, served as the chief guest. In his address, Er. Thakur shared words of wisdom that motivated all participants, urging them to continue exploring new horizons in the field of engineering and innovation. His speech inspired students and faculty to push the boundaries of technological advancements.

A highlight of *Eureka* was the project presentations, where students from all years presented their innovative ideas and projects. Each project was thoroughly judged by a panel of expert panelists. The competition concluded with the announcement of the winners, who were rewarded for their outstanding contributions to engineering and innovation. The first position was secured by Team *Obscura*, awarded Rs. 5000 for their exceptional project, second Position secured by Team *Nirvana*, awarded Rs. 3000, third Position secured by Team *Bug Brigade*, awarded Rs. 2000. The innovative ideas presented by the students were highly appreciated, with many attendees recognizing the potential impact of these projects on real-world challenges. The event concluded with a special felicitation ceremony for all the engineers present and closing remarks by JUITECH's Honourable Vice-Chancellor, Dr. Rajendra Kumar Sharma, who emphasized the importance of engineers in shaping the future and their vital role in driving societal progress.

Eureka was a true celebration of Engineer's Day, honoring the achievements of engineers and inspiring the next generation to contribute to technological advancements with passion and creativity.

JUIT celebrates Engineer's Day with grand event 'Eureka'

Excelsior Correspondent

JAMMU, Sept 19: Jaypee University of Information Technology (JUIT) celebrated Engineer's Day with great enthusiasm, hosting a vibrant event named 'Eureka'.

Organized by the Rotary Club of Shimla, the Rotaract Club of Wagnaghat, and JUIT's Centre of Excellence in Artificial Intelligence for Education, the

ments and continue their pursuit of knowledge and invention.

One of the key highlights of 'Eureka' was the project presentation competition, wherein students from various years showcased their innovative ideas and projects. A panel of experts carefully evaluated each project, assessing them based on creativity, practicality, and potential impact. The competition concluded with the announcement of

JUIT VC Dr RK Sharma awarding winners of project presentation competition during a function.

the winners, who were recognized for their exceptional contributions to engineering and innovation.

The first position was secured by Team Obscura, which was awarded Rs 5000. Team Nirvana claimed

the second position with a prize of Rs 3000, while Team Bug Brigade secured the third position and was awarded Rs 2000.

The event concluded with a special felicitation ceremony honoring all the engineers present. JUIT's Vice-Chancellor, Dr Rajendra Kumar Sharma, delivered closing remarks, emphasizing the critical role engineers play in shaping the future and driving societal progress. Dr Sharma highlighted the importance of passion and creativity in advancing technological developments and encourage students to contribute meaningfully to the field.
