Invited Talk on Cyber Security

Shri Arun K Singh - CEO of Ilantus Technologies, Texas, USA visited JUIT on 02 Dec 2023. He delivered a talk on **"How to Become a Cyber Security Expert and its Roadmap"**. He emphasized on the need of more cyber security experts due to increasing cyber crimes. He advised students to do certification in the area of cyber security as job roles in this area are increasing in all sectors and high in demand. He advised the faculty to include specialized courses in this area for engineering students. His interaction with faculty, students and visit to various departments was very fruitful. Hon'ble Vice Chancellor Prof. (Dr.) Rajendra Kumar Sharma honored Shri Arun K Singh. Dr. Saurabh Bansal presented the vote of thanks.
