

# JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY

(Established by H.P. State Legislature vide Act No. 14 of 2002)

## Policy for Promotion of Research 2022

### 1. PURPOSE

The objective of research policy at JUIT is to inculcate a culture of innovation in research amongst its faculty, students and staff.

### 2. OBJECTIVES

- To develop an environment for research and innovation
- To support the faculty and scholars in carrying out their research activities
- To encourage Peer-reviewed publications in reputed/indexed journals
- Encouraging faculty to get sponsored research projects
- To promote interdisciplinary and multi-disciplinary national and international collaborations.
- To develop Centers of Excellence in novel research areas.
- To encourage researchers to file patents for their innovations in research
- To create an ecosystem for developing entrepreneurship

### 3. CUSTODIAN OF POLICY

All research related activities and policy in JUIT are governed through the Office of Dean Academic & Research (A&R). The office of Dean (A&R) functions under the Vice Chancellor - JUIT.

### 4. INITIATIVES FOR PROMOTION OF RESEARCH IN JUIT

JUIT implements the following initiatives to meet and accomplish the research objectives.

For Faculty

- Research Emphasis during Faculty Recruitment in JUIT: During faculty recruitments at JUIT, impetus is given on selection of Doctorate and Post-Doctorate Faculties from institutes of repute. Peer-reviewed publications and their ability to submit innovative & collaborative projects remains on focus during selection process. To enhance research and innovation in universities, Jaypee Education System has Director of innovation, Research and Development (DIRD) to identify and fund novel
