Date: November 23, 2024
Organized By: Koshish Club, Jaypee University of Information Technology

Introduction

The Koshish Club conducted a successful outreach workshop at **Blue Bells Public School, Shoghi**, on November 23, 2024. The event combined educational **insights into various engineering disciplines,** a workshop on **Vedic Mathematics**, and an impactful seminar on**Good Touch and Bad Touch**, creating a well-rounded learning experience for the students.

The another team of students lead by coordinator Vanshaj Sharma of Koshish Club and members conducted another session of Vedic Maths at the **Mount Shivalik Public School ,Jubberhatti,Shimla.**

Objectives

- To provide students with insights into the fields of **Biotechnology**, **Bioinformatics**, **ECE Engineering**, and **Computer Science**.
- To enhance mathematical aptitude through **Vedic Mathematics** techniques.
- To educate young learners about personal safety through a seminar on **Good Touch and Bad Touch**.

Activities Conducted

1. **Educational Insights into Engineering Disciplines**
   - **Dr. Hemant Sood** introduced the students to **Biotechnology and Bioinformatics**, explaining their applications in healthcare, research, and technology.
   - **Dr. Nishant Jain** shared insights into **ECE Engineering and Computer Science**, discussing their role in shaping modern technology and career prospects in these fields.
2. **Workshop on Vedic Mathematics**
   - Volunteers engaged students in learning techniques for quick mathematical calculations.
   - Real-life applications of these methods were demonstrated to help students grasp their importance.
3. **Seminar on Good Touch and Bad Touch**

Rashi and **Aastha** Coordinators of Koshish Club, led an interactive seminar onpersonal safety. Activities and discussions were conducted to raise awareness among studentsand empower them to handle unsafe situations confidently.
