

Dear Sir/Madam,

September 6, 2016

Subject: Inter Collegiate Public Speaking contest - 'Voice for BT' for Under Graduate Final year B.Sc Biotechnology, B Tech / BE Biotechnology and Chemical engineering students

Novozymes is the world leader in Bio innovation. Together with customers, across a broad array of industries, we create tomorrow's industrial Bio solutions, improving our customers' business and the use of our planet's resources. Novozymes Bangalore has been contributing towards the development of industrial biotech sector in India, for over three decades.

It gives me great pleasure to inform you that we at **Novozymes** see the importance of promoting Biotechnology in India. To achieve this objective, we recognize the need to encourage promising Biotechnology students, by giving them an opportunity to participate and speak in the '**voice for BT**' contest. This event is supported by the Association of Biotechnology Led Enterprises (ABLE) as a knowledge partner.

'**Voice for BT**' was initiated in 2012 and we have been conducting this event every year in various regions, in India. This year we will be conducting this event for the Biotechnology students from all the four regions in India. The **first two winners from each region will participate in the Final event, which will be held in Bangalore.**

With this intent, **Novozymes** will be conducting this year's contest '**voice for BT**' for the North Zone on **September 29, 2016 at 9 AM**, at the '**Lecture Theatre- 3, Vivekananda Bhawan, Jaypee University of Information Technology, Wagnaghat, Solan, Himachal Pradesh.**' We are enclosing the '**General Information & Rules**' related to the contest, which is important for the information of the College and the Participant to be familiar with.

Note: All the participants will receive a medallion and a participation certificate. The first three winners from each region will be awarded with cash prizes & internships at our R&D facility in Bangalore, as detailed below:

I Prize: INR 20,000 and 3 months internship

II Prize: INR 15,000 and 2 months internship

III Prize: INR 10,000 and 1 month internship

We will have eminent scientists/academicians/ Industry leaders to judge and select the winners.

We are sure that the students will be excited to participate in this event and we would sincerely request you to nominate ONE of your 'Under Graduate Final year B.Sc Biotechnology, B Tech / BE Biotechnology or Chemical engineering students for this contest.

The '**Nomination form**' is enclosed. Please fill the same and send it to us as per the instructions provided in the '**General Information & Rules**' sheet.

Only the first 30 entries will be accepted. Therefore, kindly expedite your response.

Schedule, topics and other details of the event will be communicated in due course.

We look forward to your positive response.

Best Regards,

Krishnan G.S
Regional President
Novozymes South Asia Pvt. Ltd.
Bangalore.
