Center of Excellence – Industry 5.0, at Jaypee University of Information Technology, Waknaghat successfully conducted a Webinar on a topic - **“Preparation strategy to clear IAS exam in first Attempt”**. The webinar enabled the attendees to get a very detailed and insightful vision into the exam’s pattern, preparation and perspective of the exam thus bestowing a concrete direction for the willing aspirants to prepare accordingly to succeed in the exam.

For an aspirant drenched in sweat of hard work and anxiousness, the best form of motivation one could get is - a chance to interact with a person who successfully cracked the exam. The speaker, **Ms.Ritika Jindal, IAS, H.P Cadre**, delivered a needed insightful speech, which cleared out most of the heartfelt doubts of the aspirants, henceforth providing a sense of direction as to how the preparation should be proceeded with. She was also joined by Mr. MK Yadav, Ex. IB and Vigilance Officer who introduced the pattern and method of preparation for the examination encapsulated in a one year long IAS preparation course.

In conclusion the Webinar was a success, providing a concrete direction for the interested students and a question worth pondering that whether a desirable post is just an interest or a passion for one?
