

Interaction with Dr Ashish Sharma
Assistant Professor at University of Illinois, USA
6th Dec 2023

Dr Ashish Sharma, our distinguished alumni of 2006 Batch, presently working as Assistant Professor at University of Illinois, USA visited ECE Department on 6th Dec 2023 for interaction with the students and faculty.

In his interaction with the B.Tech, M.Tech. and Ph.D. students he shared his memories when he was doing B.Tech. at JUIT. He shared his experience how he planned his life from JUIT to Assistant Professor at University of Illinois. He guided the students about the benefits of doing higher studies after B.Tech. . He motivated the students to focus on their goals.

Dr. Ashish also interacted with the faculty of the department and shared the culture of academics, campus life and work culture of the University of Illinois.
