

Report of Participation of JUIT in ATC Meet of MEI at Pune during 20-21 August 2024

The department of Electronics & Communication Engineering, JUIT Waknaghat has an MoU with Mitsubishi Electric India (MEI) Pvt. Ltd. Company; Gurugram since April 2022. Under this MoU, MEI has provided JUIT with FA Learning Setups and Robotic Arm Setup. Recently, MEI signed a Supplementary MoU-II with JUIT on 20-08-2024 under which MEI will provide JUIT with Single-Phase and 3-Phase Motor Setup along with its Simulation Kit. Dr. Pardeep Garg, Faculty member and the Coordinator of Factory Automation (FA) Lab from ECE department represented JUIT for this MoU Exchange Programme hosted by MEI at Pune during 20-21 August 2024. Also, MEI officially announced JUIT as their 10th Authorized Training Center (ATC) partner. During this 2 days MoU exchange programme and announcement of JUIT as their ATC partner, they conducted a visit on 21-08-2024 to their manufacturing plant situated at Telegaon in Pune for all the ATC partners. MEI manufactures their various equipments at this plant.

The glimpse of the meet is as follows:
