VICHARANA 3.0: Sustainable Development

Exit Report

VICHARANA 3.0: Sustainable Development was organized by TIED Cell in association with e-yantra and Technovatorz club of Department of Electronics and Communication Engineering on 09th Oct 2021 through GoogleMeet. Under the event innovative ideas related to Sustainable Development were invited in the following three themes:

1. Affordable and Clean Energy
2. Quality Education
3. Sustainable Cities and Communities

21 teams that involved a total of 65 participants had submitted their ideas for the first round. The idea submitted was reviewed by 3 reviewers: Dr. Emjee Puthooran, Dr. Vikas Baghel and Dr. Harsh Sohal. All the reviewers are Assistant Professors at ECE department, JUIT. On the basis of the review done, 4 teams under Affordable and Clean Energy, 7 teams under Quality Education, and 3 under Sustainable Cities and Communities got selected for the presentation round.

In the second round, teams presented their ideas in front of a judging panel. To judge the ideas, two panels were formed. Panel 1 has judged ideas under the theme “Affordable and Clean Energy” and “Sustainable Cities and Communities”. Following Jury members were there in the Panel 1:

1. Mrs. Seema Purwar, Founder of ‘POMONA Café
2. Mr. Sanjay Singh, Project Manager, Infosys.
3. Mr. Nishant Modi, Founder & CEO of GreetsApp

Panel 2 has judged ideas under the theme “Quality Education”. Following Jury members were there in the Panel 2:

1. Mr. Vineet Krishna, Senior Project Manager, Fidelity Information Services (FIS) India
2. Mr. Anupam Prasad, Enterprise Business Analyst at McCain Foods Limited, Toronto, Canada
3. Mr. Sah Geetansh Krishna, QA Lead with Mindtree, Pune, India

Schedule for the event was as follows:

S.No.	Time (IST)	Event
1	14:30 - 15:00	Inauguration
2	15:00 - 17:00	Presentation Time
3	17:30 - 17:45	Award Ceremony

Judging sheet was in the form of following Google Form: <https://tinyurl.com/VS3Judging>
To make the marking unbiased, all the Judges were requested to fill the above form separately for each team.

Inauguration was hosted by student coordinators Devansh and Anjali Rana. They welcomed all the Jury Members, HoD of ECE, Faculty and all the participants. In the inauguration they mentioned how the VICHARANA 1.0 and 2.0 was a success and how the award money helps the winners of that session in developing their prototype.

After the inauguration, the presentation round had started parallelly in both the panels. At the end student coordinator, Devansh along with the faculty Dr. Nishant Jain had compiled the marks that different teams had scored.

Award ceremony was hosted by Student coordinator Devansh and Anjali Rana. They applauded all the teams for their active presentation. At the end she announced the name of the winning team which were as follows:

1. Under the theme "Quality Education", Winner was Team Sonder who presented their idea titled "Helping the specially abled to get quality education!". Names of the team members were Aditya Saxena and Angel Singh from JUIT Waknaghat, Solan.
2. Under the theme "Affordable and Clean Energy" Winner was Urja Mitra who presented their idea titled "Inclusion of wind and solar energy penetration upto a certain limit can fulfill our clean and green energy requirements.". Names of the team members were Maneesh Kumar and Gagandeep Singh from IIT Roorkee.
3. Under the theme "Sustainable Cities and Communities" Winner is Team The Phoenix who presented their idea titled "Talking about sustainable cities and communities, the idea revolves around how the general mindset of the people affects their living lifestyle. A sustainable city is only possible if the people living in it are acceptable to new solutions.". The Name of the team members were Gunveen Kaur, Muskan Guliani and Nikita Singh from GGDS College, Chandigarh.

Winning team under each theme was awarded with Rs 3000/- Amazon Gift coupons and with the support money worth Rs 8,000/- which they can use for the development of the prototype. If students are able to build the prototype then they will be encouraged to submit

their ideas and project in events like Smart India Hackathon, e-Yantra event by IIT Bombay and students will be encouraged to submit business ideas.

Event was concluded by motivating words from all the jury members for the participants and for the organising team. Dr. Nishant Jain gave thanks to all the judges and to all the participants. Devansh and Anjali, on behalf of the organising team show gratitude to the administration of JUIT, Prof. Ashish Kumar (Chairman of TIED Cell) and HoD of ECE department for providing a motivation for the event. They thanked HP govt for funding TIEDC and supporting innovation activities in the campus.

ADITYA SAXENA 191269 is presenting

Estimated cost to bring the solution provided to the society :

Certain features of our application are liberated from cost, since it is a non - profit based application we will be working for welfare and not wealth . Yet, we need to charge users for subscribed services, to compensate for our intermittent costs of the application. For that too, we have modest plans with cheap rates dependent on the assistance a user is buying in for. It will cost a client at a normal of 500 every year.
