COMPANY PROFILE:

Founded by Mr. Byju Raveendran in 2011, Byju's offers learning programs that are effective and engaging. It launched BYJU's - The learning app in 2015, which has seen over 2.5 million downloads in a short span of time. Winners of the prestigious CNBC-TV 18 Crisil Emerging India Award in Education – 2012, Think & Learn is the youngest and only company to achieve this honour in India's education sector.

JOB DESCRIPTION:

BYJU's Learning App makes use of original content, watch-and-learn videos, rich animations and interactive simulations that, as opposed to rote memorization, make learning contextual and visual. Biotechnology students recruited by the company would be involved in innovative use of the internet and comprehensive teaching techniques to revolutionize the way Biotechnology students learn.
