Date: April-12-2023

SYNAPSE
PRESENTS
INCIPERE
— 2023 —
**DEPARTMENT OF BIO TECHNOLOGY
AND BIO INFORMATICS**

The Synapse Club of JUIT Wajnaghat organized its lead event on 12th April 2023 named 'INCIPERE' which means 'Begin'. The event was intended to commence the beginning of a new tenure as well as to say goodbye to the old board of control and thank them for their efforts, hard work, and time they invested to cherish the club. The event began with a heartfelt performance of Saraswati Vandana and the Lamp lighting ceremony by the hands of the

Honourable Vice-Chancellor 'Dr. R.K. Sharma' and Registrar 'Major General (Retd.) Rakesh Bassi'.

The event continued following the kind and thoughtful words of our honourable VC sir, Registrar sir and Dean(Academics & Research) 'Prof. Dr. Ashok Kumar Gupta'. The space was then filled with positivity and liveliness as our respected HOD 'Prof. Dr. Sudhir Kumar and faculty coordinators 'Dr. Hemant Sood' and 'Dr. Tiratha Raj Singh' inspired students with their profound words.

The raw emotion of music and the energy of the crowd all came together to create an unforgettable experience with the musical *jugal bandi* by 'Kritin and Shashank' and 'Koumari and Ragini' which had everyone humming to their tunes. Dance performances are a great way to liven up any event! This was certainly the case when the B.Tech. students performed a fun and energetic dance routine and showed off their impressive dance skills, much to the delight of the audience. It was a great way to get everyone up and moving.

Following a remarkable spoof performances done by the students where they did a great job imitating their teachers, and at the end sang a parody. The skit had everyone laughing from start to finish. It became the main highlight of the event and something which didn't happen in previous years in such a fair and fantastic manner. There was an atmosphere of positivity and enthusiasm as people of all ages cheered and cheered for the performers. A beautiful montage was also presented that overwhelmed the teachers as well as the outgoing batch.

Another dance performance followed, given by our fellow M.Sc. students displaying a myriad of beautiful colors and cultures, which followed a duet performance of 'Pranjali Sharma' and 'Manshita Jindal'.

Dr. Hemant Sood in between gave a brief description of the club and its activities. Additionally, she mentioned that Synapse is connecting students, faculty and staff members of the department through its dynamic working principles and regular activities. There is something magical about hearing a soothing poem on friendship as the final performance of the evening. An awesome self-penned poem and musical by 'Vipasha Sher and Ragini Mishra' brought the entire audience together in a shared feeling of love and connection and also made them appreciate the bonds they have created so far.

'Dr. Tiratha Raj' who first thrilled us with his oratory skills and elated the audience with his witty verses and then presented the new council. Each post was announced with the post holder's status, name, and a short description of the post. Certificates were presented to the immediate past council members to recognize their efforts and contributions. The closing of the event was met with a powerful and patriotic feeling as the National Anthem was played at the end of the event. One cannot forget the positivity that was present that day, which just serves to remind everyone of the power of working together in a team. To sum up, it can be said that the event was a major success and managed to produce an unforgettable memory for everyone present.
