### **JMC Projects– Company Profile**

JMC Projects is a renowned construction company under Kalpataru Group, a reputed transnational conglomerate, with transnational operations. Over the last 3 decades, JMC has been instrumental in making our country infrastructure more efficient through building & integrating terrains and cityscapes. JMC has constructed landmark edifices across the country. JMC touches our lives through landmark edifices including highways, expressways, bridges, flyovers, townships, tall buildings, hospitals, industrial units, power plants etc. Of late, the company has started expanding vistas by taking orders from international counterparts. Strive to achieve excellence through speedy execution, cost efficiency, management of sustainability concerns, safety and all regulatory compliances etc.

With a strong workforce of 3000+ professionals supported with technology and an inspiring work environment, JMC collaborates with all stakeholders and creates a win-win situation for our customers and end-users. The company's capabilities span the entire gamut of construction civil & structural, mechanical, electrical and fire-fighting engineering etc. for all major industries and project types. Having strong commitment towards the safety of the people it interacts and has dealings with; every JMCian takes all necessary precautions to warrant safe & sustainable future for all stakeholders. It is one of the few construction companies in India, certified under ISO 9001:2015 (Quality Management), ISO 14001:2015 (Environmental Management) and BS OHSAS 45001:2018 (Occupational Health & Safety).

Armed with the technological expertise and process driven approach, JMC can take up any challenging project with Regional Offices located in Bangalore, NCR Delhi, Kolkata and Mumbai. Mumbai office also hosts as JMC™s Corporate Office, while Registered Office is still in Ahmedabad, being the founding city.
