Two Days STEM Workshop and Exposure Visit

Date: July 17, 2024

Colleges: Himalayan Public Senior Secondary School, Rohru, H.P.

Approximate No. of Students Attended: 45

45 students from Himalayan Public Sr. Sec. School, Rohru visited Civil Engineering Department, Jaypee University of Information Technology, Waknaghat, on July 17, 2024, for exposure and interaction with faculties for career counselling. Dr. Saurav, Assistant Professor, Civil Engineering Department, coordinated the visit. The students visited different labs of the department and performed various experiments. In the environmental lab, students performed the experiments to determine hardness and pH of water. Few questions and answer round were scheduled for the students. In the fluid mechanics lab, students performed experiments on the verification of Bernoulli's theorem. A demonstration of V-Notch experiment to compute discharge through canal was also shown to the students. Finally, the students were taken to see the rainwater harvesting system of JIT and teach its working principle. Laboratory senior technicians Mr Jaswinder Singh and Mr Amar Kumar Lab assisted with the visit.
