

15.09.2016

## **Department of Electronics and Communication Engineering**

JUIT Wajnaghat

A meeting of the Department of Electronics and Communication Engineering was held on 15.09.2016 at 1610 hrs in the Board Room with the agenda of **Modification of B.Tech Course Curriculum.**

After considering the Departmental meeting minutes members of Programme Curriculum & Evaluation committee took following decisions :

- Semiconductor devices will be replaced with Electromagnetic Engineering (IV Semester)
- Analog Communication of IV semester be clubbed with Digital Communication of V semester and to be run in IV semester as Analog & Digital Communication.
- Analog Communication Lab of IV semester be clubbed with Digital Communication Lab of V semester and to be run in IV semester as Analog & Digital Communication Lab
- Microwave & Antenna Design will be introduced in lieu of Electromagnetic Engineering subject in V Semester.
- Linear Integrated Circuits will be introduced in lieu of Digital Communication Subject in V Semester.

The meeting concluded with a vote of thanks by **Prof. Sunil Vidya Bhooshan**, Chairman.
