Biography :

M. Tech., Department of Electronics and Communication Engineering Jaypee University of Information Technology, Wagnaghat, Solan, 2011

MBA Human Resource Management from Indira Gandhi Open University New Delhi, 2008

B. Tech. Department of Electronics and Communication Engineering International Institute of Telecom Technology, Kala Amb, H.P., 2001

Teaching in JUIT since August, 2006.

Publication(s):

2013 (1)	2009 (3)	2008 (1)	All			
-----------------	-----------------	-----------------	------------	--	--	--

Journal(s) :

- Davinder Singh Saini, **Munish Sood** (2013). **Fair Single code and Multi code designs for 3G and beyond CDMA System.** *Wireless Personal Communications*, 69 (1), 213-217

Conference(s) :

- Davinder Singh Saini, **Munish Sood**, Vikas Hastir (2009). Design of Zero Blocking WCDMA System Based on OVSF Codes. *Proceedings of the IEEE International Advance Computing Conference (IACC 2009)* [Patiala, India : 6-7 March, 2009], pp.-.. **Google Citation**
- Davinder Singh Saini, Vikas Hastir, **Munish Sood** (2009). **Multi code assignment and reduction in code rate wastage for 3G and beyond WCDMA systems**. *Proceedings of the IEEE International Advance Computing Conference* [Patiala, Punjab : 6-7 March 2009], pp.946-951.. **Google Citation**
- Davinder Singh Saini, Vikas Hastir, **Munish Sood** (2009). **Vacant Code Precedence and call blocking reduction in WCDMA systems based on OVSF codes**. *Proceedings of the IEEE International Advance Computing Conference* [Patiala, Punjab : 6-7 March 2009], pp.812-815.. **Google Citation**
- Nitin, **Vivek Kumar Sehgal**, Durg Singh Chauhan, **Munish Sood**, Vikas Hastir (2008). Image Based Authentication System with Sign-In Seal. *Proceedings of the World Congress on Engineering and Computer Science* [San Francisco, USA : October 22 - 24, 2008], pp.-.. **Google Citation**

Abstract/ Poster Presentations/ Invited Lectures in Conferences :

- **Munish Sood, Emjee Puthooran, Nishant Jain** (2018). Computer aided diagnosis using ultra sound images for the detection of Fibroids and ovarian cancer. *Proceedings of the 3rd Himachal Pradesh Science Congress, 22-23, Oct. 2018* [IIT Mandi : October 22-23, 2018], pp.82-.. **Google Citation**
